

SUMMER CHOIR 2008

The Summer Choir provides leadership and inspiration for one of the sung liturgies on most summer Sundays. Made up primarily of members of St. Michael's Singers, everyone is welcome to come and try this for one Sunday or all summer. You need only commit to show up for the pre-service rehearsal where we go over/learn the (easy) anthem for the day and check out some of the other music. There are no fancy processions or vestments.
