This subject touches on some of the most important environmental, economic and equity issues facing the city right now.

BOB'S RETIREMENT CELEBRATION

On January 29 at 5:00 pm, the St. Michael's Singers will present a very special Evensong followed by a fabulous dinner party, both in honor of Bob's many years of service to this parish. Tickets to the dinner are sold out at this point, but you can put your name on a wait list. Evensong will feature music selected by Bob and is free and open to all. Both pieces of this special evening promise to be a wonderful sharing of memories, thanksgiving, and fellowship.

YOUTH NEWS

The youth community-service project this month is to assist at the celebratory dinner for Bob Spiers on January 29. There's going to be a big crowd, and the adults need your help! If you're able and willing to volunteer, please contact Melissa.

On the heels of the dinner honoring Bob is our First Friday outing for February. We're considering Putt-Putt, so stay tuned for more information! And save the date for our annual not-to-be-missed Youth Variety Night, happening this year on April 21.

LECTURE: CULTURE OF FEAR

All are invited to attend a Thursday, January 26, lecture at Rose City Park United Methodist Church, 5830 NE Alameda. Dr. Barry Glassner, sociologist, author, and president of Lewis and Clark College, will speak on *The Culture of Fear: 2012*, at 7:00 pm. Suggested donation is \$12, and students are free.
